## Sisters for Life!

Dear Alumnae,

The Membership Education Vice President is responsible for the over-arching sisterhood in Alpha Delta Pi. Sisterhood is the bond that has developed between us all that make our individual and unique lives one strong union of women. Sisterhood is not something that can be created, but rather something within all of us that must be found. As Membership Education Vice President, it is my responsibility to find the sister in each of us and brings us all together. Sisterhood is enhanced and strengthened through games, activities, time spent together, and one another's support. The Membership Education Vice President is responsible for making sure that every member of Alpha Delta Pi-Alpha Psi feels this sense of sisterhood and belonging with the amazing group of women we have. ## ADPi's Giving Back

Dear Alumnae,

My name is Kristy Beal and I am happy to inform you that I am the new Alpha Delta Pi Philanthropy Chair! I am a sophomore with a major in Civil Engineering and minor in Human Rights. Our annual ADPi Row Cup philanthropy benefiting Ronald McDonald House Charities is coming up and we couldn't be more excited!! Row Cup consists of week-long activities including a USC student-wide BBQ on our gorgeous lawn, collecting soda can tabs and having fraternity teams compete in a single-elimination soccer tournament. All BBQ ticket sales, soccer entry fees and can tabs will go toward RMH, a "home-away-from-home" for the families of severely sick and injured children. ADPi prides itself in fully supporting all Greek philanthropic events, and we participate in other fraternity and sorority philanthropies that raise money for organizations such as the Huntington's Disease Society of America and Disabled Widows, Orphans, and Disabled Firemen's Fund among so many others. As you can see, our semester is jam-packed and I am so excited to head it up, but I could not do any of this without the help of all of my Philanthropy Committee girls and the rest of ADPi!

## Fun Starts Here!

Dear Alumnae,

My name is Kaitlyn Nichols and I am Director of Social Enrichment! I am a junior studying psychology, consumer behavior, and marketing at the University of Southern California. For the spring semester this year, a few of my goals for Alpha Delta Pi Alpha Psi chapter include: the expansion of the relations our chapter has with other organizations on campus, the implementation of a higher number of sister sorority events, and a fabulous Diamond Ball! On February 6, we had our Senior Send off formal with an "America" theme. The seniors picked the theme for this event and it was hit! We have so many exciting upcoming events this semester including Row Cup, exchanges with other organizations, and our Alumnae Tea! I look forward to finishing this semester events and planning events for the fall semester. Email me at [alphapsisocialchair@gmail.com](mailto:alphapsisocialchair@gmail.com)
